# Croner-i Business Essentials

Small business owners have all kinds of major decisions to make every single day – from choosing premises, to recruiting staff, to sorting taxes – and it can be difficult without the resources of a larger company behind them. Croner-i Business Essentials is here to help. We provide reliable resources on all aspects of running a business, including expert guidance, useful tools, and compliance information for the latest employment and health & safety legislation. With our service, you have all the info you need to develop and grow your company.

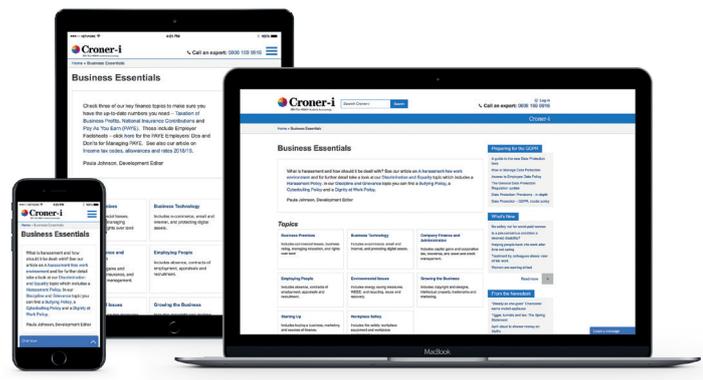

**Information and insight, you can rely on**  
Written by our team of business and legal experts and updated regularly, you can be confident that all Croner-i resources are accurate and up-to-date. Covering everything from legislation, employment, health & safety, finance, and copyright, it's completely comprehensive too.

**Tools tailored to you**  
Croner-i is packed with practical, and flexible tools to use. Our service gives you tax data tables, an interactive risk assessment, a legislation tracker, employment calculator, and document templates – all fully adaptable to fit your business.

**Extra support**  
Access to our telephone helpline gives you peace of mind and extra support, any time you need a second opinion or have a complex employment, health & safety, HR, tax, payroll, or legal issue.
