With funding challenges and a high level of responsibility, it isn't easy to be an early years provider – especially with increasing regulations and legal requirements. Croner-i Early Years can help. Our service gives you a simple online portal, filled with expert guides, policies, and all the tools you need to run your business efficiently and meet legal standards and be prepared for an Ofsted inspection. Covering everything from safeguarding to risk assessments, you have all the guidance you need to keep your nursery or pre-school compliant and up to scratch.

"Croner-i Early Years is an excellent service - we require up-to-date policies and you deliver. The information received is very helpful, it's great value for money and easy to use."

- Business Manager, Early Years Setting -

Comprehensive and up-to-date

Our guidance covers more than 130 topics, including implementing EYFS standards, safeguarding, health & safety, managing staff and finance. With regular updates and weekly e-alerts, you can be confident you will stay on top of everything.

Practical tools

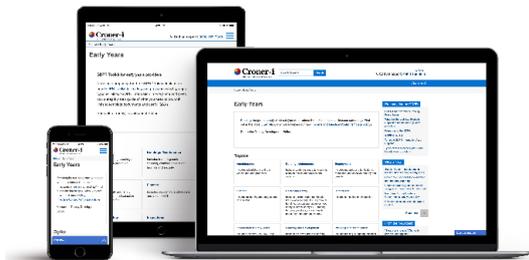

Tools like our interactive risk assessment, hundreds of model documents, and training presentations are practical, usable, and help to streamline your work.

Extra support

Access to our telephone helpline gives you peace of mind and extra support, any time you need a second opinion or have a more complex HR issue.
