Rising pupil numbers and continuing funding restraints can make the education sector a challenging one to work in right now – but with the right resources and information behind you, your school can still provide the best possible learning experience for your students. Croner-i Education is an award winning, complete, online information service, written by education experts and head teachers. It's the most efficient way to stay ahead in the sector, with up-to-date guidance, the latest legislation, and tools to help your work.

"Croner-i is what makes sure we get OUTSTANDING."

– Luchie Caywood, CEO at Eaton House Group of Schools –

Practical tools and guidance

Croner-i Education covers over 130 topics relating to primary, secondary, and independent schools and academies. As well as in-depth information and practical guides, it includes model policies, procedures, forms, letters, and factsheets that you can download and adapt.

Up-to-date

Our resources are updated regularly, so you can be sure that what you're reading is accurate. Plus, our monthly eAlert round up will keep you in the loop of what is happening in the education sector.

Extra support

Access to our telephone helpline gives you peace of mind and extra support, any time you need a second opinion or have a complex issue.
