## Croner-i Education

Rising pupil numbers and continuing funding restraints can make the education sector a challenging one to work in right now – but with the right resources and information behind you, your school can still provide the best possible learning experience for your students. Croner-i Education is a complete online information service, written by education experts and head teachers. It's the most efficient way to stay ahead in the sector, with up-to-date guidance, the latest legislation, and tools to help your work.

### Practical tools and guidance

Croner-i Education covers over 130 topics relating to primary, secondary, and independent schools and academies. As well as in-depth information and practical guides, it includes model policies, procedures, forms, letters, and factsheets that you can download and adapt.

### Up-to-date

Our resources are updated regularly, so you can be sure that what you're reading is accurate. Plus, daily news and weekly e-alerts keep you in the loop with the education sector.

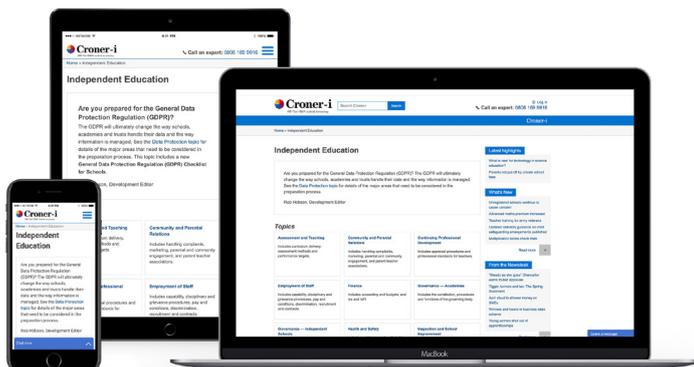

### Extra support

Access to our telephone helpline gives you peace of mind and extra support, any time you need a second opinion or have a complex issue.
