Croner-i Sole Practitioner

Keeping up with changes in tax and accounting is all the more challenging when you're a sole trader – but Croner-i can help. Created especially for sole practitioners, Croner-i Sole Practitioner contains all the resources you need to do your work in a simple online service. Along with source materials such as legislation and HMRC guidance, it offers commentary and analysis on UK tax, along with audit and accounting tools, disclosure checklists, and daily news and updates. With three packages available, you can choose the level of support that suits you.

All in one place

Get all the resources you need in a single, comprehensive online portal. Login to Croner-i and you'll see everything from legislation and cases to transactional and in-depth tax commentary, interactive tools, and more, fully indexed and easy to find. Whether it's tax, accounting, or even HR or health and safety guidance you need, it's all just a click away.

Up-to-date expertise

Every single guide, commentary, and resource in Croner-i is kept fully up-to-date with the latest legislation and standards. You can be assured that the information you're reading is correct and relevant every time. Plus, with our CPD tracker, you can count your reading towards your CPD.

Easy to use

Croner-i is packed with functionalities that make finding, using, and saving the information you need simple. Guidance and analysis is easy to digest, navigation is straightforward, and search tools, including the unique Statute Finder, locate what you need in an instant.

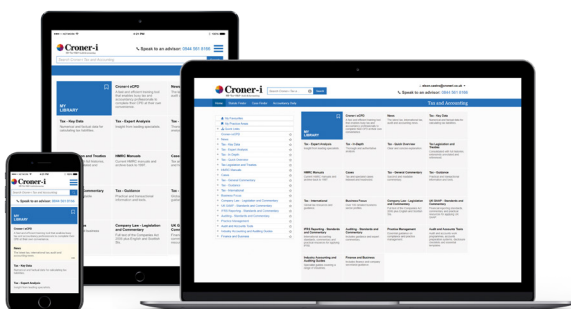

Extra support

This isn't just an online service – a subscription to Croner-i also provides access to our tax & VAT and business support helplines. Experienced advisors are on hand 9am-5pm to help answer your technical queries.
